

FR. AGNEL SCHOOL, GREATER NOIDA

Dear Students

Make things happen!

If you want to make things happen, then go ahead with determination and make them happen. Don't let fear stop you. Let not the cancer of criticism dampen your enthusiasm, nor allow the crab mentality to pull you down, Stand up for what you believe is right and allow your convictions to emerge centre-stage. Believe in yourself.

You are the one who can change yourself with vigor and renewed enthusiasm. Fearlessly make your own plans and execute them in the best way possible. Assume responsibility for your whole self. You are your own master and it is up to you to make things happen. Seek advice from those whom you trust. Time and again re-evaluate your plans illumined by the expertise you gain from others.

To succeed in life and to be a winner:

Have-----

**Crystal Clear Goals,
Belief in God and Yourself,
Strong Will-power and Determination
Hard work and Positive Attitude,
Perseverance till you Reach the Goal.**

Don't forget that God always loves and cares for you. He won't let you carry your fears and worries alone. He is with you. Have a realistic outlook. Don't simply chase after success, let success run after you.

GOD BLESS YOU
