INTEGRATED HOLIDAY'S HOMEWORK
CLASS -VI (2022-23)**

*Hot searing summer reminds us of the moment,
To break free and wallow in the warm sunshine.
There's a burst of activities without caring about the scorching heat,
When friends are making merry and relishing the ice cream delicacy.
So blend joy with learning and study,
To fetch praise and attain perfection.*

"INTELLIGENCE IS THE ABILITY TO ADAPT."

Summer vacation is synonymous with fun, frolicking, getting up late in the morning, playing for longer hours with friends, going for picnics, exploring new places, and having fun. It is the time to learn and enjoy.

So spend these holidays creating a nurturing and stimulating environment filled with fun, frolic, and learning.

We have carefully and meticulously planned the Summer Break Assignments. Attempt the assignments neatly and beautify them by providing the required illustrations.

TOPIC: TRACING OUR PAST-INDUS VALLEY CIVILIZATION

ENGLISH:

Busy bees of 6th standard, let's put on our creative minds to work and create something magical... Create a toy from Indus Valley Civilization using paper Mache and write a factual description of the same on an A-4 sheet.

MATHS:

Kolam: Connecting Art, Culture, and Mathematics

A kolam is a geometrical drawing composed of curved loops drawn around a grid pattern of dots. Kolam skills are considered, a mark of grace, dexterity, discipline, and concentration. The art originated about 2500 BC in the Indus valley civilization.

Draw one kolam design on an A4 size paper and mention at least 5 Mathematical concepts or ideas used in it.

SCIENCE:

"Old is gold" Compare the food, fabric, and pollution of the Harappan Era with that of the 21st century. (Do it creatively on an A3 sheet)

SOCIAL STUDIES:

*Where is Indus Valley Civilization located? Mention different cities of the Indus Valley Civilization along with its location on the map.

*Mention the main characteristic of the Indus Valley Civilization. Paste colourful pictures of the excavations and the objects found.

ANALYSIS

The town planning and drainage system of the Indus Valley Civilization shows high regard for hygiene and cleanliness. How can our city today get benefits from the following systems of the Harappan cities?

You will be marked for your creativity and presentation. Do the work in the SST notebook.
